

Call for papers

14th International Conference on Intuitionistic Fuzzy Sets ICIFS'2010

Aim and scope

The aim of the ICIFS'2010 is to gather specialists interested in intuitionistic fuzziness and give them floor for discussions. The conference scope includes all aspects of the theory and applications of intuitionistic fuzzy sets.

All papers accepted for presentation at ICIFS'2010 will be included in a special issue of the journal "*Notes on Intuitionistic Fuzzy Sets*" that will be available upon registration.

Conference chairs

- Prof. Janusz Kacprzyk (Poland)
- Prof. Krassimir Atanassov (Bulgaria)

Program Committee

- Adrian Ban (Romania)
- Ranjit Biswas (India)
- Humberto Bustince (Spain)
- Pahagiotis Chountas (UK)
- Elia El-Darzi (UK)
- Stefan Hadjitodorov (Bulgaria)
- Etienne Kerre (Belgium)
- Taekyun Kim (Korea)
- Vladik Kreinovich (USA)
- Pedro Melo-Pinto (Portugal)
- Ketty Peeva (Bulgaria)
- Anthony Shannon (Australia)
- Eulalia Szmidt (Poland)

Important dates

1 March 2010

Submission of the camera-ready texts in English

1 April 2010

Notification of acceptance.
Submission of reviewers' comments

15 April 2010

Submission of registration form and final camera-ready texts

14—15 May 2010

Registration at the conference venue

15—16 May 2010

Conference

Contacts

Contact person:

Prof. Krassimir Atanassov

Centre of Biomedical Engineering, Bulgarian Academy of Sciences

Address: P.O.Box 12, 1113 Sofia, Bulgaria

Phone: +35929793602, Fax: +35928723787

E-mail: krat@bas.bg, k.t.atanassov@gmail.com

Conference venue:

Centre of Biomedical Engineering

Acad. G. Bonchev Str., block 105, 1113 Sofia, Bulgaria
