Dear colleagues,

On behalf of the Organizing committee we are pleased to invite you to participate at the European Medical Physics and Engineering Conference, which incorporates 11th National Conference of the Bulgarian Society of Biomedical Physics and Engineering (BSBPE) and 6th Conference of the European Federation of Organizations for Medical Physics (EFOMP).

This important scientific event will give an unique opportunity to medical physicists, engineers and professionals of other sciences to share their experience and exchange knowledge on a wide range of topics. The invited speakers will present novel concepts and innovations related with the role and contributions of medical physics and biomedical engineering on development of the contemporary medicine.

We hope that you will enjoy your stay adopting new ideas, while establishing new scientific and personal contacts.

We are looking forward to meeting you in Sofia!

Chair
Peter Trindev
